**NASHUA PUBLIC INFORMATION MEETING FOR PROPOSED PARK AND RIDE**  
**EAST SPIT BROOK ROAD SITE WOULD INCLUDE RAIL CONNECTION**

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Tuesday, October 15, 2002 in Nashua to review and discuss the proposed construction of a Park and Ride commuter-parking facility.

The proposed 1,000 parking space facility will be located on East Spit Brook Road, approximately 400 feet east of the intersection with Daniel Webster Highway.

This project also involves the construction of a rail platform/station and a layover facility to provide commuter rail connections into Massachusetts.

The October 15 public meeting to display the current concept and obtain input will be held at the Nashua City Hall Auditorium, 229 Main Street in Nashua, NH. It will begin at 7:00 pm and be followed by a question and comment period.
